

ARISMUN 2020 COMMITTEES AND TOPICS

Prepared by the
ARISMUN Secretariat and Directors

Crisis Committee:

1. Mali Crisis

Tens of thousands of Malians have taken to the streets in recent months, in protests fueled by pervasive corruption, extreme poverty, and protracted conflict. The unrest risks further destabilizing a region already battling an alarming rise in violent extremism. President Keita resigned and dissolved parliament following military take over and the crisis committee must find a way to reach peaceful agreement and restore stability within the regions involved.
