

*They believed they could,
so they did.*

*Class of
2019*

IN LOVING MEMORY OF

Muiz Anam Sultan
Former Year 2A Student

Priscilla Talata
Former ARIS Librarian

Saleh Moussa Malek
Former Year 11A Student

Welcome to our third ARIS yearbook edition

Dr. Fatma Odaymat Director

Al-Rayan International School-ARIS started in 2003 as a small Montessori early years center; little did we envision that fifteen years later, we would be a leading IB World School, offering the full continuum (IBPYP, IBMYP and IBDP). Soon, ARIS will also be the first IB School in Africa, and one of the few worldwide to offer the CP (Career-related Programme) along with all the other IB programmes.

Before our first graduating class in 2016/2017, every year leading up to it would mark the opening of a new higher class. Baby steps to big leaps, ARIS has been through it all. Through the journey, there has been ups, downs and everything in between. So, it was only fitting that when the 15th year arrived, ARIS would leave no stone unturned in celebrating our milestones, our vision and of course, paving the path for our upcoming goals - Vision 2025.

ARIS Cares is our initiative to give back to our community through service and advocacy. It started as a Service Learning project, but our 15th Anniversary (ARIS15) has put ARIS Cares at the forefront of our community well-being, making it our year-long theme. This year, our students and staff were involved in many ARIS Cares projects including Earth Day Accra, banning single-use plastics in ARIS, Flight #7 Project, the walk to keep the city clean, EU Climate Change Diplomacy Event, #DecabornizeDecolonize Project, ARIS Cares Monthly Market, Run For A Cure Ghana, Student Entrepreneurship initiatives, collaboration with the New Horizons Special School, composting... and many more.

As the 15th Anniversary approached, ARIS launched its ARIS Cares Grant, which were awarded to applicants who would contribute to the enhancement of our own or surrounding communities. The grant is now funding four projects - the Operation Smile Project for 10 Cleft Lip surgeries in Ghana, Inclusive Education research, Elephant research and Achimota Migrant Community Empowerment. While all of these projects do not come close to summing up the amount of work and dedication that goes into it, what we can hope for is the impact of our actions on all the communities that we belong to and that surrounds us.

The ARIS15 Fundraising Gala Dinner was not just a celebration but an opportunity to inform our community at large about our engagements and our future goals. It was also a platform to inform our whole community of our upcoming Vision25 Goals which are Personalized Learning, Student Well-being, Staff Development and School Development. Sharing our vision, Ms. Adzo Ashie, IB Africa Regional Manager and ARIS Parent, was also present as our Guest of Honor and spoke about empowering our students' skills and bridging them to the world. I would like to thank all our community who were present to support us on that night.

"Education makes no sense if it isn't applied", one of our biggest goals for the upcoming phase is personalized learning. ARIS is a school that is dedicated to educating all kinds of learners through differentiated instruction, increasing platforms for online education and various other means. All learners must be empowered to be global citizens of the world.

At the end, I would like to wish Class of 2019 all the best as they get ready to leave our nest. A new batch of Golden Eagles are ready to soar beyond the ARIS walls, to the four corners of the world. You will be dearly missed, but never forget: ARIS will always be your home! And wherever you go, my dear #ARISEagles, make sure you always #Inspire, #Empower, and #Transform.

Head of Primary School's Message

Fifteen years ago, Al-Rayan International School was established. Evolving from a Montessori Early Years School to an internationally and highly recognized IB institution, Al-Rayan International School takes pride in being a multi-cultural institution that believes in the uniqueness of every learner, as we strive to elicit the very best in them through inspiring, empowering and transforming to a better global citizen.

2018-2019 marks yet another significant academic year in our journey to becoming the best educational organization in West Africa; our yearbook highlights just a few of the memorable events, programs and celebrations that took place this academic year.

From cultural celebrations, such as Glorious Ghana week, Chinese New Year, International Day celebrations and Turkish Children's Day to exhibitions, such as EYP Big Heart Art exhibition and the PYP Africa Art Exhibition were just a few amongst the very many memorable events that were portrayed with 'ARIS CARES' as a focal theme.

We look forward to yet another exciting journey with each and every one of you in the coming academic year of 2019-2020

All the very best,

**Sincerely,
Dania Sadek

Head of Secondary School's Message

Dear Students,

Welcome to the 3rd Edition of the ARIS Yearbook 2019!

As you embark on a new class or a new chapter of your life, always remember that learning is not limited to the classroom.

One of my fellow educator friends once said -

"Be a student as long as you still have something to learn". Be a lifelong learner to inspire, empower and transform your own and surrounding communities, for that is where joy and triumph lies. Learning, after all, is one of the most fulfilling constants in all our lives.

On behalf of the Secondary School, I would like to extend my sincere thanks to our team for such a fruitful year full of hard work and collaboration! Thank you also to Madam Dayna, Oorna, Madam Mmanuella and Madam Caressa and students contribution from Pheobe Kumi and Saha Azizi for putting this wonderful yearbook together.

As you turn the pages, you will find some beautiful, tear-jerking memories of the days you and I have spent together as a part of the beautiful, vibrant and growing ARIS Community.

Wishing you all the best for the coming end-of-year vacation and the following Academic Year ahead!

Sincerely,

Alpana Mukherjee
